Michelle Bohman

Michelle has more than 20 years of experience in health care having worked with older adults, persons with developmental disabilities, and behavioral health and traumatic brain injury patients. She is a graduate of Midstate Technical College in Marshfield and grew up on a dairy farm near Loyal, Wisconsin. Attending local beef steer shows to support family entries or other local farmers is a favorite pastime. Michelle also enjoys spending time with her family, gardening, canning, campfires and country living.

Craig Tritz

Craig has been providing patient care in gastroenterology for the past eight years and has served as a first responder for the Hewitt Area Fire Department for 11 years. He spent five years in the U.S. Coast Guard after high school. Craig enjoys spending time with his family especially activities like family vacations, sporting events, hunting, fishing and snowshoeing.
