# Obstetrics and Women's Health

**Supporting women's  
well-being**

**HOW YOU CAN MAKE A DIFFERENCE**

Marshfield Clinic®  
HEALTH SYSTEM  
FOUNDATION

# Caring for women through every live stage.

Together women's health care providers at Marshfield Clinic Health System offer complete care for girls and women - from childhood through menopause and through health challenges along the way. Services provided by Marshfield Clinic obstetricians and gynecologists include:

- Annual physical examinations
- Obstetric care, including prenatal care, delivery, and postpartum care
- Evaluation and treatment of vaginal bleeding, abnormal pap smears, uterine or ovarian enlargement
- Infertility treatment
- Gynecologic cancer care
- Minimally invasive surgery
- Treatment for incontinence and prolapse
- High-risk pregnancy care
- Treatment for infections of the female reproductive tract and pelvic pain
- Care for menopause
- Contraceptive care

**You can support women in your community by giving to women's health programs and services at MCHS.**

"The care team not only coordinated my appointments, but they really listened to what I wanted in making important treatment decisions. At first I didn't realize I had a choice, but they supported me the whole way. To have my voice heard in all this made a huge difference for me."

Connie Schubert, grateful patient

## Thanks to the generosity of people like you, the women's care team can offer specialized equipment, innovative treatments, education, comfort items and support networks.

### Obstetrics and Gynecology:

- Specialized equipment for prenatal, postnatal and well-woman care in our hospitals and clinics.
- Renovated, thoughtfully-designed spaces to promote relaxation and healing.
- Navigation programs with primary and specialty care to ensure women's needs are met through all life stages.

### Research and clinical care:

- Clinical trials for life-threatening diseases, such as cancer, heart disease and stroke as well as maternal and fetal disorders.
- Studies to promote women's well-being and preventive care.

### Support services and local care:

- Mobile units bring mammography and bone density screenings to women in rural areas.
- Community seminars, including Women's Day of Caring, behavioral health conferences and more.
- Educational materials for patients and their families, including DVDs, iPads and books.
- Comfort items such as blankets, hats, scarves, pre and post-natal care items and more.
- Cancer patient library and boutique area, which offers wigs and scarves for patients in treatment.
- Support groups such as WINGS (We Inspire, Nurture and Give Support), which offers holistic care for adult patients throughout their cancer treatment.
- Angel Funds, assisting women in need and their families with basic, non-medical needs such as rent or mortgage payments, car repairs, groceries, utility bills and transportation to Clinic appointments so they can focus their resources on treatment.
- Art pieces and healing gardens enhance the patient experience.

**Add your support to  
advance health care for  
generations to come.**

# Together we enrich lives.

Marshfield Clinic Health System Foundation enriches lives by shaping the future of patient care, research and education at Marshfield Clinic Health System through philanthropy. Since the 1970s, over \$100 million in philanthropic support has been given to benefit Marshfield Clinic. Philanthropy at Marshfield Clinic Health System provides an opportunity for grateful patients to thank their care team, helps ensure our research and education programs remain strong and gives our providers the important resources they need to care for their patients.
