

How to find an in-network provider

1. Visit www.securityhealth.org/directory.
2. Select from four options:

 <p>I want to see if a doctor is in my plan or network.</p> <p>Get started</p>	 <p>I want a specific specialty.</p> <p>Get started</p>	 <p>I want a new doctor.</p> <p>Get started</p>	 <p>I want to search for a health care facility or medical equipment.</p> <p>Get started</p>
--	---	---	--

3. Enter your group or subscriber number from your ID card if you have it. Or, choose "**Marshfield Clinic Health System**" from the first drop-down menu and the plan name on your ID card (Enrich (HMO), Enrich (POS) or Explore HMO).
4. Enter your preferred search criteria and click the "**Search**" button. Your results will only show providers in your network who meet those criteria.
5. If you aren't finding a provider follow the instructions in the shaded boxes under the "Search" button.
