

## COBRA Premium Assistance

The Consolidated Reconciliation Act of 1986 (COBRA) allows employees and their qualified beneficiaries to have the opportunity to continue health insurance coverage for a specified period of time when a qualifying event would normally result in the loss of eligibility. Continued coverage under the company's health plan requires a premium payment by the individual.

COBRA Premium Assistance enables patients who are eligible for COBRA benefits to continue health care coverage by offering assistance with premium payments. Eligibility for COBRA Premium Assistance is based on the premium payment value in comparison to projected cost of service(s).

Please call Patient Assistance at 1-800-782-8581, ext. 9-4475 for more information regarding COBRA Premium Assistance.
