

Financial Assistance Policy

Marshfield Clinic Health System will provide emergency and medically necessary health care services for free or at discounted rates to patients who meet eligibility criteria.

Who is Eligible

- Discounted care is available for uninsured and underinsured patients with income at or below 400% of the Federal Poverty Guidelines.
- Assistance may be available in other circumstances depending on the size of the patient's medical bills and whether other eligibility criteria are met.

Patient Assistance Counselors are available to assist individuals with applications for Medicaid and other charitable assistance programs.

Limitation on Charges

A patient qualifying for financial assistance under the Financial Assistance Policy will not be charged more than the amounts generally billed for the same emergency or medically necessary services to individuals who have insurance covering such care.
